

WE ARE GRATEFUL FOR YOU!

The TJHS Lasso Alumni Association is very grateful for all the folks who donated, golfed and spectated on October 19, making the 3rd Annual TJHS Lasso Alumni Association Boots, Birdie & Bogey Classic Miniature Golf Tournament an incredible success!!! We netted \$5,256.30 from the tournament, which supports our current Lassos with uniforms, financial help for basic Lasso costs, scholarships, entry fees to competitions and anything else this group needs!

The results of the event are that 93 players teed off and 12 people spectated after enjoying delicious food and drink! The evening breezes could be felt at Cool Crest, which probably helped the following teams win: **Red Team**, Josh Mendoza, Cesar Ayma and TJHS Class of '71 Alum Joe-Beth Kirkpatrick; **Blue Team**, TJHS Booster Club Moms Cynthia Benitez and Veronica Farias and TJHS Class of '71 and '69 Alums Becky and Steve Vitola!!!

Our alums, our sponsors, and folks who supported this event, many of whom have no connection to TJHS, all made a difference by letting the young women Lassos know that they care enough to raise money for the team!!! The support speaks volumes to the Lassos.

Thank you for setting an amazing example for our Lassos!
Happy Thanksgiving,
